The massage will be tailored to your needs and a session plan will be discussed with you and will include your input. I will check with you concerning your comfort level with pressure, room temperature, etc. Please tell me at any time during and after the session about your comfort or how I could better address your needs for the massage. **This massage is all about YOU and you are in complete control of the session.**

~~~My intention is for you to have a relaxing and therapeutic massage experience.~~~

## Policies:

### Your Rights:

- ❖ All information, therapeutic discussions, casual conversations, records, either written or verbal during your visits, will be kept confidential. Information will be released only with your written consent or released by a court order, as required by law.
- ❖ Your comfort and level of modesty are of the utmost importance. I will ask you to remove your clothing only to your level of comfort and will leave the room while you do so. You will always be draped during your massage with only the portion of your body being massaged uncovered. Prior to each session I will ask you if there are parts of your body that you do not want touched.
- ❖ You have the right to discontinue treatment at any time, even during a session. Should this occur, it will be important for me to discuss and understand the nature of your discomfort and how/if it can be remedied.

### My Rights:

- ❖ By law, I have the right to refuse treatment, or to terminate a treatment in progress to protect my safety and well-being, including situations such as:
  - (1) A client who is abusive; under the influence of alcohol, drugs, or any illegal substance; or otherwise impaired; or
  - (2) A client who has violated the boundaries of the professional relationship by initiating or asking to engage in sexual activity.
- ❖ I also have the right to refuse or discontinue treatment of a client who does not disclose all health issues and information.

### Cancellations & Late Arrivals:

- ❖ Please provide 24 hours notice of a cancellation or you may be billed for the session.
- ❖ You will pay for the full session even if you are late arriving for your appointment, but I will try to accommodate you depending on my scheduled appointments.

### Lastly:

- ❖ If you have a cold or other contagious illness or skin condition, these are contraindications for massage. Please wait until you are well.
- ❖ Please turn off your cell phone during the massage - this is your time to relax.

## Consent:

I, \_\_\_\_\_, understand that massage is intended to enhance relaxation, reduce pain caused by muscle tension, increase range of motion, improve circulation and offer a positive experience of touch.

The general benefits of massage, possible massage contraindications and the treatment procedure have been explained to me. I understand that massage therapy is not a substitute for medical treatment or medications, and that it is recommended that I concurrently work with my Primary Caregiver for any condition I may have. I am aware that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy.

By signing below I acknowledge that I have informed the massage therapist of all my known physical conditions, medical conditions and medications, and I will keep the massage therapist updated on any changes. I also acknowledge that I have read and will abide by the policies listed above.
